

Srijan Chauhan

Gurgaon, 122018 • srijan.pgp18151@iimkashipur.ac.in • +91 9148529555

Product manager with 6+ years across fintech, lending and marketplace platforms — owning product strategy, cross-functional delivery, and data-driven decisions, with hands-on experience building and shipping AI-powered products.

SKILLS

Product Strategy & Roadmap • Payments & Lending • BRE / LOS / LMS • AI Tools (Claude Code) • Experimentation (A/B) • PRDs, BRDs & FSDs • SQL • REST APIs • Microservices • Stakeholder Management • Agile • Jira • Confluence • Miro

PROJECTS

Cadence — AI-personalized music discovery app, built & deployed solo

- Built Cadence end-to-end using **Claude Code** — **React Native/Expo** client, **Node/Express** backend, deployed live
- Engineered a **Bayesian recommendation engine** that re-ranks results in real time from live user skip/like feedback
- Integrated **Spotify OAuth, iTunes & Last.fm APIs** into a live cross-genre discovery and playlist-export pipeline, solo

EXPERIENCE

Droom Technology Pvt. Ltd.

Gurgaon, Haryana

Senior Product Manager, Fintech and Core Marketplace Services

September 2024 – Current

- Revamped the B2C checkout funnel over 3 iterations, cutting drop-off from **80% to 50%** — 37.5% below benchmark
- Used Claude Code to design and ship a 7-step Motor Insurance purchase journey solo, from VAHAN fetch to payment
- Led the implementation of **DroomPay**, a **payment aggregator** processing **₹18 Cr / 15,600+ txns** at **91.13%** success rate
- Drove repeat purchase through loyalty mechanics — **₹40L** spend, **₹33L** redemptions & **₹65K** via Refer-and-Earn
- Engineered a recurring-revenue **Credit Line** generating **₹49K MRR** on a **₹52L** book, driving enterprise GMV growth
- Prepared and presented **5 core Droom Credit modules** to investors, showcasing the platform's end-to-end fintech depth
- Rolled out 6 payment rails — **UPI, QR, Card EMI, BNPL, Part Pay & Zero Pay** — into checkout **transaction flows**
- Designed **Order Assignment logic** for cab providers that became the bedrock for order **Broadcasting**
- Built a **dynamic pricing engine** — per-km & per-hour seller rates plus base price resolved to a real-time buyer fare

M2P Fintech

Bangalore, Karnataka

Product Manager, Digital Lending

February 2024 – July 2024

- Built **BREs** for a **₹95 Cr** Capri Loans (CGCL) portfolio across **Bharatpe, Lendingkart & Capital Trust** as LSP partners
- Ran **root cause analysis** across **65 critical product gaps**, synthesizing inputs from **7 stakeholders** into resolutions

Associate Product Manager, Digital Lending

November 2023 – February 2024

- Streamlined Loan Product Configurations into reusable product-centric templates, cutting **turnaround time** by **80%**
- Directed backlog and design of LOS/LMS platforms for **Lendingkart & Bharatpe** — application-to-disbursal workflows

Financial Software and Systems

Mumbai, Maharashtra

Assistant Manager, Business Planning and Strategy

October 2020 – November 2023

- Interviewed **1,154 prospects** to formulate a financial-inclusion GTM strategy, piloting the platform within **3 months**
- Spearheaded **22 developers** and **10+ executives** to launch an omnichannel digital platform and kiosk network nationally
- Defined as-is/to-be process maps enabling digital transformation across **29 projects** spanning **8 business functions**
- Partnered with data science to productize **ML model** use cases — ATM Clustering, EDA & Transaction Prediction models

Cognizant

Bangalore, Karnataka

Programmer Analyst

December 2016 – June 2018

- Translated business requirements into functional specs for **SAP IS-Retail P2P** system integration at enterprise scale
- Built and tested **Siebel CRM** enhancements through **Agile** sprint cycles within a large distributed engineering team

EARLY CAREER

- Droom Technology** — Category Management Intern, 2W/4W (Apr–May 2019): drove **₹45L** GMV via targeted long tail
- IIM Kashipur (2018–20)**: Exec Member (Academic & Literary); ran “Abhivyakti” (**₹35K** sponsorships, **350 leads** sourced)
